**DATE:** October 27, 2021

---

### 1. Purpose

This Memorandum Circular is issued to guide the stakeholders on the national observance of the 18-Day Campaign to End Violence Against Women (VAW) on November 25 to December 12, 2021.

### 2. Background and Policy Mandates

The Philippine Commission on Women (PCW), in coordination with the Inter-Agency Council on Violence Against Women and their Children (IACVAWC) leads the nationwide observance of the 18-Day Campaign to End Violence Against Women (VAW).

The following provide the national legal mandates for the annual advocacy campaign:

- **Proclamation 1172, Series of 2006** - Declaring November 25 to December 12 of Every Year as the “18-Day Campaign to End Violence Against Women (VAW)”
- **Republic Act No. 10398** - Declaring November 25 of Every Year as the “National Consciousness Day for the Elimination of Violence Against Women and Children”

### 3. Campaign Objectives:

This year, the campaign generally aims to promote awareness about the Safe Spaces Act (RA 11313 or SSA), both for the general public and the institutions that are mandated to implement the law.

All government agencies and local government units (LGUs), including the private sector are enjoined to align their campaign activities with this general objective.

### 4. Guide for 2021 observance of the 18-Day Campaign to End VAW

#### 4.1. Campaign Theme

In 2016, the Inter-Agency Council on Violence Against Women (IACVAWC) adopted the theme “**VAW-free community starts with Me**” for the 18-Day Campaign to End VAW. The Council also agreed that the said theme shall be used every year from 2016 to 2021.

The theme elevates the campaign to positive advocacy as it enjoins everyone to pursue the common vision of a community free from violence against women and girls, and highlights what can be done to achieve such.

#### 4.2. Focus for 2021

The 2021 campaign shall spotlight RA 11313, with the slogan ***Filipino Marespeto; Safe Spaces, Kasali Tayo.***

Enacted into law in 2019 with its Implementing Rules and Regulations (IRR) approved on October 28, 2019, the SSA defines and/or penalizes gender-based sexual harassment (GBSH) in the streets and public spaces, workplace, educational and training institutions, and online.

PNP data shows that from its effectivity in August 2019 until August 2021, there were 148 violations of RA 11313 reported to the police

Over two years after the enactment and approval of the IRR of the Safe Spaces Act, there is a need to intensify awareness raising on the core provisions of the law, the penalties, and mechanisms in place as the country continues to fight the COVID-19 pandemic which breeds various forms of VAW, especially online with many spending their time in the digital realm.
